CHIEF'S REPORT

Chief Barlow read his report into the minutes. On April 29, 2018, the Chief requested four firemen to attend a five (5) day Technical Rescue Training Class.

Discussion ensued concerning the fire inspections for Shad Festival and for fireworks. The Chief noted that the Chamber of Commerce does not provide pay to us for these services. They haven't in the past three (3) years. It is unknown if the Fire Inspector will show up for inspections for Shad Fest or the fireworks. Payment for services should be at prevailing wage, not at their currently hourly rate. We should get a contract in place with the City (Shad Fest inspections) and the Chamber of Commerce for fireworks. It was suggested we have a checklist in place. It was also suggested that we do not perform inspections unless we get sufficient notice and are paid prevailing wages. Mr. Braslow will compose the letters.

The Dive Team will go into service shortly. The District purchased approximately \$55,000 of diving equipment/gear from West Trenton Volunteer Fire Company, for a fair price.

The District is staffing headquarters with six (6) personnel on 5/7/18 @ 6:00AM through 5/7/18 at 6:00PM.

In the meeting with Councilman Sanders and Council President Stegman, it was brought up that the District goes to more fire calls in New Hope. The Chief stated that the runs to New Hope have diminished over the years.

A motion by Chairman Komjathy, to enter into closed session and seconded by Commissioner McManus-Keyes, and with a unanimous voice vote, MOTION PASSED. The Commissioners entered into closed session at 6:50PM.

A motion by Commissioner McManus Keyes to end the closed session, seconded by Vice Chairman Lecher and with a unanimous voice vote, MOTION PASSED. The Commissioners came out of closed session at 7:12PM.

Millard Thornton, member of the audience, suggested the Fire District perform the fire inspections for the City. Chairman Komjathy encouraged Mr. Thornton to speak with someone at City Hall. Chairman Komjathy will forward his message along to Councilman Sanders.

A motion by Commissioner McManus Keyes to adjourn the meeting, seconded by Chairman Komjathy and with a unanimous voice vote, MOTION PASSED.

The meeting was adjourned at 7:28PM.

Respectfully Submitted,

Sally Lelie, Secretary
